## **Lane Reductions on Milwaukee Avenue in Gurnee**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lanes will be reduced on Milwaukee Avenue (Illinois 21), from Washington Street to Skokie Highway (U.S. 41), in Gurnee, for a resurfacing project beginning, weather permitting, Monday, Aug. 17.

Traffic will be reduced to one lane controlled by flaggers from Grand Avenue (Illinois 132) to Skokie Highway when workers are present. Lanes also will be reduced during the daytime hours from Washington Street to Grand Avenue.

The project will be complete by Nov. 16.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
